This program is for you if...

You work in HR

Specialist, recruiter, generalist, or manager. Based in Armenia or working internationally.

You want a globally recognized credential

Planning to earn an HRCI™ certification that employers recognize in 150+ countries.

You prefer structure over solo study

Looking for a guided preparation path with live sessions, practice questions, and expert support.

You're serious about career growth

Ready to invest in your qualifications and open opportunities beyond your local market.

Awarded by the HR Certification Institute — an independent, internationally recognized credentialing organization for HR professionals.
